River Region Chamber Awards Scholarships for Continuing Education

The River Region Chamber of Commerce is proud to announce its contributions toward continuing education. Two one thousand-dollar scholarships were awarded to Louisiana Technical College – Reserve Campus and River Parishes Community College, to be awarded to deserving students during the 2009-2010 academic year.

Executive Director Chassity McComack, 2009 Chairman of the Board Rhonda Hotard and Public Policy Chairman Henry Friloux met with administrators to discuss happenings with the education system and how the Chamber can continue to be additive and supportive in enhancing the future workforce.

Chassity McComack, Executive Director of the River Region Chamber of Commerce stated, “We are very excited about presenting these scholarships to assist area students further their education through technical training; this will ultimately contribute to providing local businesses with the educated workers that they need.” The scholarships were created from proceeds from the Chamber’s first Golf Tournament in October 2008. As the event grows year by year, so will the contributions.
