FOR IMMEDIATE RELEASE

ESJH Interim Head Coach Will Also Serve As Athletic Director

East St. John High School Interim Head Football Coach Ronald Barrilleaux has been named the school's interim athletic director and he will serve in that capacity through the end of the December, Superintendent Courtney P. Millet, Ph.D., announced today.

Barrilleaux has taught and coached at East St. John High School since 2002, serving as the football team's offensive coordinator.

Prior to his arrival at East St. John High, he taught and coached at West Thibodaux Junior High for five years. While there, he served as head basketball, track and football coach. He also served as that school's athletic director for three years.

Barrilleaux was named the interim head football coach on Oct. 22. He coached the team on that same day to its 49-14 victory over district rival Destrehan High School.

"We are very confident that Coach Barrilleaux will effectively manage East St. John High School's athletic programs during this interim period, as well as continue to lead our football team in its current season," said Superintendent Courtney P. Millet, Ph.D.
